## *Empty Place at the Table 2017*

*Join us as we premiere a roaring good time for a great cause!*

### *About Us:*

In honor of the late Jana Mackey and all victims of domestic violence, a committed group of activists created Jana's Campaign, Inc. with the single mission of reducing gender and relationship violence. As a national prevention organization, Jana's Campaign aims to play a significant role in breaking the cycle of domestic and dating violence and be a catalyst for social change.

### *About Jana:*

On July 3, 2008, Jana Mackey lost her life to violence perpetrated by an ex-boyfriend in Lawrence, Kansas. The 25-year-old KU law student was an advocate for women's rights and had spent years volunteering to aid victims of sexual assault and domestic violence. As a passionate social and women's activist, Jana fought for equality and social justice at every turn. She dedicated her life to making a difference. Now, we are inspired by the story of her life- and her death- to make the world a safer place.

*Proceeds from Empty Place at the Table will support education about and prevention of gender and relationship violence throughout Kansas, Colorado, Nebraska, and beyond.*
